NeuroStudies.net, LLC will disclose your personal information, without notice, only if required to do so by law or in the good faith belief that such action is necessary to: (a) conform to the edicts of the law or comply with legal process served on NeuroStudies.net, LLC or the site; (b) protect and defend the rights or property of NeuroStudies.net, LLC; and, (c) act under exigent circumstances to protect the personal safety of users of NeuroStudies.net, LLC, or the public.

Use of Cookies

The NeuroStudies.net, LLC website may use "cookies" to help you personalize your online experience. A cookie is a text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you, and can only be read by a web server in the domain that issued the cookie to you.

One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize NeuroStudies.net, LLC pages, or register with NeuroStudies.net, LLC site or services, a cookie helps NeuroStudies.net, LLC to recall your specific information on subsequent visits. This simplifies the process of recording your personal information, such as billing addresses, shipping addresses, and so on. When you return to the same NeuroStudies.net, LLC website, the information you previously provided can be retrieved, so you can easily use the NeuroStudies.net, LLC features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the NeuroStudies.net, LLC services or websites you visit.

Security of your Personal Information

NeuroStudies.net, LLC secures your personal information from unauthorized access, use or disclosure.

Children Under Thirteen

NeuroStudies.net, LLC does not knowingly collect personally identifiable information from children under the age of thirteen. If you are under the age of thirteen, you must ask your parent or guardian for permission to use this website.
